# President's Message

**Ron Best**

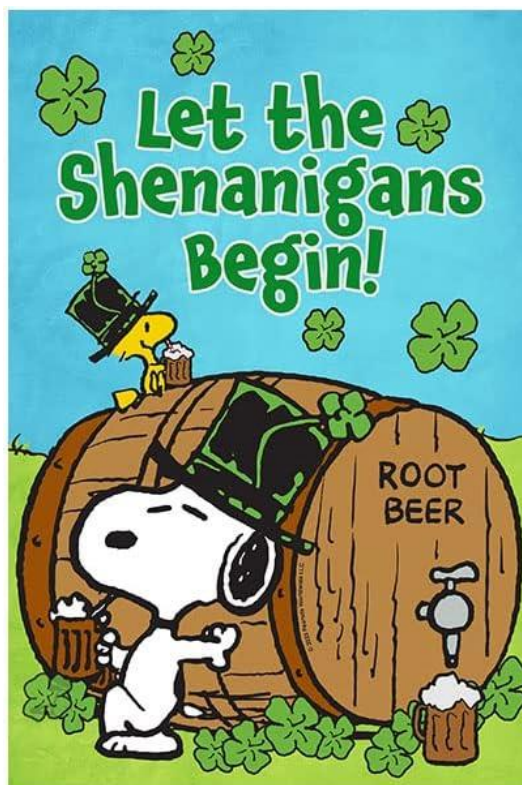

Happy one month closer to spring!

We have events starting to fill in the calendar for the next few months. Keep an eye on the website as Terry is putting things out there as soon as we get plans and dates confirmed. Looking back at February, Robert had a good crowd for the Lane Museum event. I hope everyone enjoyed the tour there. We had our rescheduled lunch train event last weekend. It was still a little chilly with the wind, but some folks even got their Corvettes out and we did a highway run to Bardstown. We enjoyed having pretty much our own train car for our group. After the train ride, Pete and Tracy Dillenbeck coordinated a stop by Heaven Hill for a tour & tasting that several participated in as well.

I look forward to seeing everyone at the upcoming events. We will get details online and have sign-up sheets available at the meetings.

Pull off the car covers, it is cruising time!

# Cruisin' to Lane Motor Museum

## February 10, 2024

The Club started the 2024 cruising season off early this year, taking advantage of the great weather we are having in the last half of Winter. Robert Elrod organized and led this trip. Forty members made the first stop, 5 Chefs restaurant in Portland, TN. Good food. 'Nuff said.

Following lunch 28 continued to the Lane Motor Museum in Nashville, TN. Their collection of mostly diminutive vehicles is a real treat, especially for the first-time visitor. So many tiny cars, so much unique engineering! This truly is a fun museum. An extra special extension of the tour took the group to the basement, where Derek Moore, the Lane Curator, showed off the Vault, where the collection is stored when not on display or is being worked on. Who doesn't love a peek in the basement?!

# Corvettes and the Mecum Kissimmee FL Auction

Mecum holds the granddaddy of all of its auctions each January in Kissimmee, Florida. It can only be described as the biggest car show/sale that you are likely to see. January 2024 saw 4,383 vehicles on the grounds of the Osceola Heritage Park. Out of those thousands of cars, there were over 500 Corvettes crossing the auction block during the 14-day car-a-palooza.

Here are a few of the eye-popping results of the auction, including the top-10 sellers:

1. 1967 L88 Coupe.

1. 1967 Rally Red L88 Coupe – Bid up to \$2,800,000 but it didn't sell and moved into the "the bid goes on" category. It's marked as sold now, so a deal was made, but the final sales amount is being kept on the downlow. Still, we must imagine it was over \$3 million after the buyer's premium.

2. The very first 1967 L88 and the very last 1969 L88. These two corvettes sold as a pair for \$2,585,000.
3. The world's only black-over-red 1963 Z06/N03 split-window coupe sold for \$935,000.

2. The first and last L88s.

4. Harley Earl's retirement gift.

4. 1963 Harley Earl Styling Car sold for \$803,000.
5. 1963 Z06 Split-Window Coupe, Daytona Blue-over-Saddle Leather combo sold for \$770,000.
6. 1953 Kindig-It CF1 Custom Roadster sold for \$770,000.
7. 1969 L88 Convertible went for \$495,000.
8. 1962 Bloomington Gold Convertible, unrestored Sold for \$456,000.
9. 1963 Split Window sold for \$412,500.
10. 1963 Z06 Sebring Silver with a black interior Sold for \$385,000.

In case you thought that only the early generations captured the big dollars, there was that a 2019 Chevrolet ZR1 Coupe with only 317 miles on the odometer that sold for \$189,750!

A flock of split-windows.

# My Old Kentucky Dinner Train

## February 24, 2024

After a snowstorm in January rudely interrupted the planned event, Ron and Sheila regrouped, rescheduled to February, and led the way to Bardstown. Everyone enjoyed a great dinner aboard a vintage train, as well as the view of the countryside from the diner car windows. After dinner, some chose to visit Heaven Hill Distillery for a tour and tasting.

# More New Members!

We have seen a nice surge of new members in the past few months. Here are a few who came to the February meeting and accepted their new member packets from Rick Davis.

**There is still time to register for the 2024 Bash.** ..... Online registration will be available until April 7th. You can register for the Bash at: <https://www.corvettemuseum.org/explore/events/> As of this writing most events still have plenty of availability, but that could quickly change as the event draws closer.

**Volunteer Recognition reception** ... Approximately a year ago the NCM established an ad hoc committee to focus specifically on volunteers. Mia Beathia was appointed to head up this group. A sampling of the topics that we have dealt with are the volunteer needs at annual events, ongoing programs, and pop-up events. Early on the group had an in-depth discussion concerning **recognition** and **retention** as it applies to the value of volunteers at the NCM. Everyone agreed that each of these areas impacted the other. From that discussion the first Volunteer Recognition reception was held on the kick-off evening – Wednesday – of last year's Anniversary. The feedback from that event was so glaringly positive that a similar reception is scheduled at the beginning of this year's Anniversary event.

**Motorsports Park news** ... The NCM Motorsports Park is gearing up for a truly exciting and fun racing season. The MSP has recently made the following two announcements:
